Schneetiger and kick mit

Efficiency measurement

10/2022 – 10/2023

Initiator
SFBK GmbH

Objectives

The SFBK GmbH provides services for people with and without support needs in the fields of sport, leisure, education and culture. Among others, die SFBK GmbH carries out the projects Schneetiger and kick mit.

Schneetiger brings children and young people with and without disabilities in contact with winter sports. In kick it, soccer trainings with a focus on migrant girls are organized.

Implementation

In the course of a school year, queraum supported the project teams of Schneetiger and kick mit with participative workshops and coaching. queraum mainly contributed its expertise in social research to the development of an evaluation concept. The support of queraum consisted of four modules: 1. Development of project aims, 2. Development of an efficiency measurement concept, 3. Support in the search for adequate research instruments, 4. In the final workshop, the results of the joint work were discussed.
