Inclusion of persons with mental health problems on the first labour market

Best-practice examples, approaches and innovations from various European countries

01/2024 – 01/2025

Initiator
Arbeitsmarktservice Wien

Objectives

The Labour Market Service for Vienna (AMS Wien) wants to learn from European best-practice examples in the field of the inclusion of persons with mental health problems on the regular job market.

Implementation

queraum was commissioned with a research project that comprised examples, approaches, experiences and innovations regarding the inclusion of persons with mental health problems on the first labour market in various European countries.
